The Filipino diaspora in Oman has been underserved thus far as there has been no targeted service launched which has focused exclusively on them. Via this service, both Ooredoo Oman and Mavshack aim to cater to the needs and desires of the community better so as become the one-stop shop for all their entertainment.

The launch is in line with the Group Strategic Partner Agreement (GSPA) signed between Mavshack and the progressive Ooredoo Group based out of Qatar. Mavshack has also inked separate direct agreements with the Ooredoo entities in Kuwait and Qatar where the integration is in progress right now.
