Acconeer signs Purchase agreement with Future Electronics

Acconeer has signed a global Purchase agreement with Future Electronic. The agreement enables Future Electronics to purchase and resell Acconeer's A1 radar sensor, as well as related modules and evaluation kits.

Lars Lindell, CEO of Acconeer, comments: "We are very happy to add Future Electronics to our global network and look forward to seeing what opportunities the collaboration can lead to."

About Acconeer AB

Acconeer is a leading radar sensor company based in Lund, south Sweden, in Ideon, the country's hottest region for wireless technologies. Acconeer is developing a truly leading ultra-low power, high precision 3D sensor which will revolutionize the way that mobile devices interpret their surroundings. Acconeer's ultra-low power and millimeter precision sensor will be a robust and cost-effective solution for applications ranging from virtual reality and gaming to security and robot control. Information from the sensor can also be used to identify different materials, these are just some examples of the wide range of possibilities of application areas for the sensor. Acconeer is listed on Nasdaq First North Growth Market with the ticker code ACCON, Redeye is the company's Certified Advisor (CA) and can be reached via telephone +46 (0)8 121 576 90 or via mail certifiedadviser@redeye.se.
