

Meltron receives ISO 9001:2015 certification

Meltron is delighted to have received ISO 9001:2015 certification. Going through the standardization process and certification was a natural next step for Meltron. The certification is a globally recognized standard for quality management by the International Organization for Standardization (ISO).

“We are providing solutions to customers in very difficult and demanding environments. Not only our products but we, as a company, need to meet the highest standards”, says Ville Sistonen, CEO of Meltron. “Our products are already certified according to all relevant standards. To now have all of Meltron proving to fulfill the quality requirements in ISO 9001:2015, all the way from our internal processes to how with manage customer feedback is a great testament to the work done by the people at Meltron”, continues Ville. “Our customers can trust our relentless focus on the details and our commitment to provide the best possible products.”

ISO 9001:2015 is one of the highest rated standards and one of the most rigorous as well. The standard is focused on quality management, addressing areas such as high-level management involvement, have a strong customer focus and continuous improvement and detailed risk analysis.

About Meltron – “More than Just Light”

Meltron AB designs, manufactures and sells LED lighting solutions which are based on interdisciplinary application of electronics, optics, thermodynamics and nano-structures. “More Than Just Light” translates into energy savings, superior light quality, product life-time savings, increased productivity, safety and wellbeing. Meltron provides high quality solutions for the most demanding environments in infrastructure, industry, logistics and agriculture.

LED lighting is one of the fastest growing major industries of the world. The annual growth of the industrial sector currently amounts to 47 percent, and the entire market is projected to generate turnover of USD 100 billion in 2020, according to Edison Research.

*Meltron's share is traded on NGM Nordic MTF under the ticker **MLTR**.*
