

Kopy Goldfields AB (publ)  
Pressrelease 15/2019  
Stockholm, October 7, 2019

## **Kopy Goldfields participates and speaks at the Minex Russia 2019 show**

**Kopy Goldfields will participate in the “MINEX Russia Mining and Exploration Forum”, which will take place in Moscow on 9-10 October 2019 under the theme of “Foresight of the Russian Mining and Exploration Industry Development”. During the show, we will present our company and projects for investors, potential partners and other stakeholders in one of the largest mining events in Russia.**

Incepted in 2005, MINEX Russia is one of the largest and most significant mining events in the country. More than half of the forum participants are representatives of leading mining companies. The forum also attracts smaller (junior) companies involved in the development of promising mining projects in Russia, the Eurasian Economic Union and abroad.

### **About Kopy Goldfields AB**

Kopy Goldfields AB (publ), listed on NASDAQ First North Growth Market in Stockholm, is a Swedish gold exploration company operating in the Irkutsk and Amur regions of Russia, which are two of the most gold rich areas in the world. The Company currently holds 15 licenses, grouped into four projects, which entitle the holder to explore for and produce gold. Kopy Goldfield’s strategy is to create value by identifying and acquiring high potential gold projects, and then prospecting and exploring them until they reach the stage of being ready to be sold for cash or further developed in cooperation with a partner.

Kopy Goldfields AB applies International Financial Reporting Standards (IFRS), as approved by the European Union. Hagberg & Aneborn Fondkommission acts as Certified Adviser, contact number: +46 8 408 933 50, e-mail: [info@hagberganeborn.se](mailto:info@hagberganeborn.se).
