

PRESS RELEASE 2014-01-31

## **Consilium receives fire alarm orders from Korean shipyards for more than 100 ships**

*During January 2014, Consilium has received orders for fire alarms for more than 100 ships being built at Korean shipyards. The total order value is approx. SEK 15 million.*

The new orders consist of fire alarms on bulk vessels, tankers and container ships, and include large orders from the Korean shipyards Hyundai and SPP for vessels that are being built for the shipowners D Amico, Scorpio and United Arab Shipping Company.

“This is a strong start to 2014 for Consilium in Korea,” says Ove Hansson, CEO of Consilium. “There has also been a good order intake from Chinese shipyards during January 2014.”

*Consilium is one of the world's leading suppliers of safety and navigation products and solutions. The product portfolio comprises systems for fire protection, gas and emission detection, automation systems and navigational equipment, among other things. Systems and products are mainly marketed towards shipyards and ship owners, together with the oil and gas industry. The guiding-star of Consilium's total offerings is to contribute in the protection of lives, material assets and the environment. Consilium's goal is to be the customer's first choice when safety matters and to offer superior customer value. The ambition is to become a global leader within well defined market and product areas, by utilization of the Group's combined competence, long experience and successful innovations – and thereby create long-lasting shareholder value. Consilium is publicly listed on NASDAQ OMX Stockholm, has more than 600 employees and a turnover of more than SEK 1,000 million.*
