About Meltron – “More than Just Light”

Meltron AB designs, manufactures and sells LED lighting solutions which are based on interdisciplinary application of electronics, optics, thermodynamics and nano-structures. “More Than Just Light” translates into energy savings, superior light quality, product life-time savings, increased productivity, safety and wellbeing. Meltron provides high quality solutions for the most demanding environments in infrastructure, industry, logistics and agriculture.

LED lighting is one of the fastest growing major industries of the world. The annual growth of the industrial sector currently amounts to 47 percent, and the entire market is USD 100 billion according to Edison Research.

*Meltron's share is traded on NGM Nordic MTF under the ticker **MLTR**.*
