Correction: The Nomination Committee proposes changes within Arcane Crypto's Board of Directors

Stockholm, October 29, 2021 - A press release headlined "The Nomination Committee proposes changes within Crypto's Board of Directors" distributed earlier today by mistake included a name of a proposed member of the Board that will not be proposed as member of the Board. The correct announcement follows:

The Board of Directors of Arcane Crypto AB ("Arcane Crypto" or the "Company") has today received a proposal from the company's Nomination Committee to convene an Extraordinary General Meeting ("EGM") to resolve on changes within the Company's Board of Directors. The Nomination Committee proposes that Michael Jackson is elected as Chairman of the Board and that Simon Saneback is elected as a new member of the Board. Jonatan Raknes will resign from his position as Chairman and member of the Board and Anna Svahn, Kristian Kierkegaard and Viggo Leisner will remain as members of the Board.

"We are delighted with the Nomination Committee's proposal to elect Michael as Chairman of the Board and Simon as a member of the Board. Michael's wide-ranging experience including operative roles at Skype and Mangrove Capital, as well as board-level experience from Blockchain.com, combined with Simon's experience in early stage companies and brand building, will make them a very strong addition to the Arcane team," says Torbjørn Bull Jenssen, CEO of Arcane Crypto.

The Nomination Committee's other proposals will be announced in the notice to the EGM of Arcane Crypto. The Nomination Committee proposes that the EGM is held as soon as possible.

The Nomination Committee consist of Kristian Lundkvist, (representing Middelborg Invest AS), Ketil Skorstad, (representing Tigerstaden AS and other companies associated with Ketil Skorstad) and Morten Klein (representing Klein Invest AS). Kristian Lundkvist is Chairman of the Nomination Committee.
