About Cell Impact

Cell Impact AB (publ) is a global supplier of advanced flow plates to fuel cell manufacturers. The company has developed and patented a unique method for high-velocity forming, Cell Impact Forming™, which makes it possible to produce flow plates with more advanced designs, which in turn creates more cost and energy-efficient fuel cells compared to conventional forming methods.

The Cell Impact share is listed on Nasdaq First North Growth Market and FNCA Sweden AB is the company's Certified Advisor (CA). Contact info: +46 8-528 00 399 or info@fnca.se.
