

AAC Clyde Space brings forward publication of the Interim Report for the first quarter of 2023 to April 25, 2023

2023-04-19 AAC Clyde Space AB (publ)

Publication of AAC Clyde Space's report for the first quarter will be brought forward to April 25, 2023.

Previously announced date for publication was May 25, 2023.

The reason why the AAC Clyde Space brings forward the financial report is that the financial statements will be finalised earlier than expected and that the board therefore sees no reason to delay publication.

ABOUT AAC CLYDE SPACE

AAC Clyde Space specialises in small satellite technologies and services that enable businesses, governments and educational organisations to access high-quality, timely data from space. Its growing capabilities bring together three divisions:

Space Data as a Service – delivering data from space directly to customers

Space missions – turnkey solutions that empower customers to streamline their space missions

Space products and components – a full range of off-the-shelf and tailor-made subsystems, components and sensors

AAC Clyde Space aims to become a world leader in commercial small satellites and services from space, applying advances in its technology to tackle global challenges and improve our life on Earth.

The Group's main operations are located in Sweden, the United Kingdom, the Netherlands, South Africa and the USA, with partner networks in Japan and South Korea.

AAC Clyde Space's shares are traded on Nasdaq First North Premier Stockholm with Erik Penser Bank AB as Certified Adviser. The share is also traded on the US OTCQX- market under the symbol ACCMF.
