## **SDS AB wins an order in Djibouti for SEK 3 million**

**SDS AB, a leading global provider of mobile solutions and services, announced today that the company has won a significant order in Djibouti worth 3 million SEK. This successful order will contribute to strengthening the customer's mobile money offering and market position in the region.**

As part of this order, SDS AB will provide increased support and dedicated hours to the customer. This means that the customer will receive enhanced technical support and resources to develop and improve their existing mobile services. By investing in SDS AB's expertise and innovative solutions, the customer will be able to deliver a more comprehensive and reliable mobile payment platform to its users.

The mobile money market is growing rapidly and plays an increasingly important role in today's digital economy. SDS AB is proud to be a trusted partner in strengthening the customer's position and offering an outstanding mobile payment solution. With our extensive experience and proven technology, we are confident that this order will further strengthen our brand and presence in the global market.

Revenue from this order will be recognized gradually until June 2024, in line with the customer's utilization of the purchased capacity.
